 - ✓ **Medicaid-Compliant Written Orders (4/16, 4/17, 4/19)** will explain in detail how to review prescriptions for Medicaid compliance.

WHAT WILL NIAGARA COUNTY EXPECT FROM PROVIDERS?

For Prescriptions/Digital Recommendations

- Effective **September 1, 2024** billing providers will not be able to submit attendances to the county for enrollments that do not have an uploaded prescription or a digital speech recommendation.
- Effective **September 1, 2024**, the county is expecting SLPs to use the **Digital Speech Recommendation** feature in the Portal for all Speech enrollments including new children and/or changes in service (*instead of uploading a paper prescription*).
- A webinar training has been scheduled to walk through the Portal Digital Speech Recommendation process on the following dates: **6/12, 6/14, 8/7, 8/9**. EnterClaims users do not need to attend this training.

WHAT WILL NIAGARA COUNTY EXPECT FROM PROVIDERS?

For Prescriptions/Digital Recommendations

❑ County Expectations for **Prescriptions** (Continued)

- Effective **April 1, 2024**, Independent Providers, Agencies and Agency service providers will use the prescription templates in the Portal Knowledge Base for **OT, PT** and **Psychological Counseling** Services. (beginning with **9/1/24** service dates)
- You will see two prescription templates in the Portal:
 - 1) A **Multi-Discipline Template** (for School Year & Calendar Year), and
 - 2) An **OT/PT Template** (for School Year & Calendar Year)
- The Portal prescription template has space in the heading for customization to include a logo and/or agency information (name/address/phone); providing the customization does not cause the prescription to generate a second page.

WHAT WILL NIAGARA COUNTY EXPECT FROM PROVIDERS?

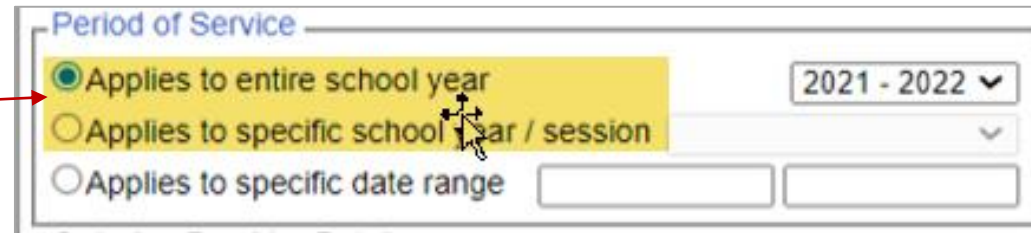

For Prescriptions/Digital Recommendations

☐ Prescription Term of Service Dates

There are three term of service date options when you upload a prescription or create a digital speech recommendation, as shown in the screenshots below. Please review the information below regarding how to enter this information for a **school year** versus a **calendar year**.

■ **School Year** Term of Service Dates

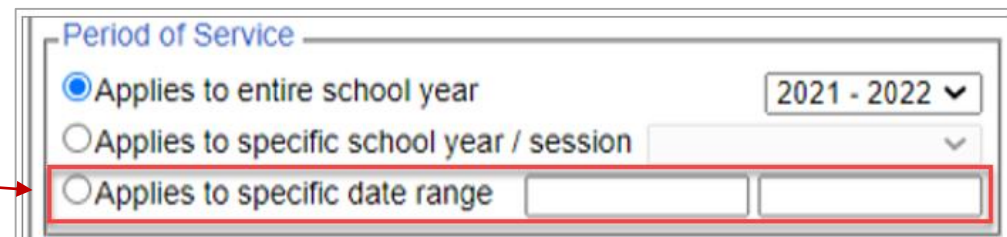

Children that have their annual reviews using a school year calendar can select any of the prescription terms of service options shown above (as they apply).

The screenshot shows a form titled "Period of Service". It has three radio button options: "Applies to entire school year" (which is selected and highlighted in yellow), "Applies to specific school year / session", and "Applies to specific date range". To the right of the first option is a dropdown menu showing "2021 - 2022". A red arrow points from the "School Year" header to the selected radio button.

■ **Calendar Year** Term of Service Dates

Children that have their annual reviews on a calendar year basis (rather than a school year) must select **Option #3, Applies to specific date range**. The specific term of service dates entered must coincide with the IEP service dates.

The screenshot shows the same "Period of Service" form. In this view, the "Applies to specific date range" option is highlighted with a red rectangle. The other options are not selected. A red arrow points from the "Calendar Year" header to this highlighted option.

WHAT WILL NIAGARA COUNTY EXPECT FROM PROVIDERS?

For OT Prescriptions

- ❑ Prior to February 3, 2012 Occupational Therapists were required to have a written order to provide treatment.
- ❑ The amendment to Education Law §7901 on February 3, 2012 states that occupational therapists can perform services without a prescription if the service is ***not specific to “restorative function.”*** However...
- ❑ If the county has contract language for the provider that indicates that the provider must cooperate in the processing of Medicaid claims, the county can insist that the provider obtain a written order for **Medicaid** purposes. In the absence of a written order, or until a Medicaid written order is obtained, treatment can occur.

WHAT WILL NIAGARA COUNTY EXPECT FROM PROVIDERS?

Bulk Upload Process

❑ **Bulk Upload Process** (for uploading Prescriptions)

- Providers that currently use the **Bulk Upload Process** will no longer have this option for uploading prescriptions.
- **OT/PT/Psychological Counseling Prescriptions** for service dates of **September 1** (or later) will need to use the “individual” prescription upload process for uploading prescriptions.
- **Speech Prescriptions** for service dates of **September 1** (or later) will need to be completed digitally in the Portal (*with a signature date that coincides with the initial session date*).

WHAT WILL NIAGARA COUNTY EXPECT FROM SLP PROVIDERS?

OPRA Enrollment for SLPs

- ❑ In order for Medicaid to pay on a claim, the ordering/referring provider must be enrolled with Medicaid as an Ordering, Prescribing, Referring, Attending (**OPRA**) provider.
- ❑ Niagara County will be requiring SLPs (who are ordering, prescribing, referring) to be **OPRA** enrolled so the services they provide will be Medicaid reimbursable. There is no cost to enroll.
- ❑ If you are an SLP that is not enrolled in OPRA, the link below will give you helpful information about the enrollment process. McGuinness can also assist you with this process.
- ❑ Link: <http://support.cpseportal.com/kb/a255/opra-enrollment-information-website.aspx>

WHAT WILL NIAGARA COUNTY EXPECT FROM SLP PROVIDERS?

Digital Speech Recommendations for SLPs

SLPs will be required to...

- ☐ **Create a Digital Speech Recommendation** in the Portal for all children with **9/1/24** service dates (or later – instead of uploading a paper prescription).
- ☐ Create a digital Speech Recommendation in the Portal **in addition to any prescriptions uploaded from community practitioners.**
- ☐ Essentially, the SLP will create a digital recommendation for **ALL speech children.**

???

Are there any questions about the
new prescriptions/digital
recommendation requirements?

WHAT WILL NIAGARA COUNTY EXPECT FROM PROVIDERS?

Comply With Requests For Non-compliant Documentation Or Missing Prescriptions

- ❑ **Non-Compliant Medicaid Prescriptions:** If an uploaded prescription does not meet Medicaid requirements, you will receive notification from McGuinness regarding what is required to ensure Medicaid claiming.
- ❑ **Outstanding Prescriptions:** Several times throughout the school year you will be contacted by McGuinness with a request for **missing** documentation (that is required for Medicaid claiming).
- ❑ Please respond to these requests as soon as possible to ensure that Medicaid claims are processed within the limited claiming window.

WHAT WILL NIAGARA COUNTY EXPECT FROM PROVIDERS?

Verify Your Credentials (In The Portal)

- ❑ All licensed providers **must** have their credentials verified through the CPSE Portal. This process is simply verifying that a therapist's Name, NPI and license number are correct.
- ❑ Billing Providers will only be able to submit attendances for therapists that have verified credentials.
- ❑ Niagara County has required licensed providers to verify their credentials since 2018 so we will not be delivering a webinar on Credential Verification.
- ❑ All licensed therapists **must** have an NPI number to bill through the Portal – even if they work under the direction of a supervising clinician. There is no cost to apply for an NPI number and usually takes 7-10 days. Applicants can use the following links to apply:
 - <https://www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms10114.pdf>
 - <https://www.webpt.com/blog/do-i-need-a-new-npi-and-other-npi-questions/>

WHAT WILL NIAGARA COUNTY EXPECT FROM PROVIDERS?

Credential Verification Approvals

- ❑ In addition to verifying the therapist's credentials in the Portal (or EnterClaims), the Credential Verification Process **must be approved** by Niagara County before billing can move forward.
- ❑ Therapists that have unverified credentials or have verified credentials that have not been approved by the county will not be able to submit billing through the Portal.
- ❑ If a billing provider receives a billing error message that credentials need to be approved, please email the county requesting credential approval so billing can move forward.

WHAT WILL NIAGARA COUNTY EXPECT FROM PROVIDERS?

Submit CBRS Billing At The Same Time As The CB Billing

- ❑ The County is expecting Center-Based providers to submit the Center-Based Related Service (CBRS) voucher at the same time that the Center-Based voucher is submitted.
- ❑ If the county receives the tuition voucher **without** the CBRS voucher, payment for the tuition voucher may be withheld until the CBRS Voucher has been submitted.
- ❑ McGuinness will notify providers who have not submitted CBRS billing.

WHAT WILL NIAGARA COUNTY EXPECT FROM PROVIDERS?

Supervision – (UDO)

- ❑ Certain service providers require supervision (PTAs, OTAs, Speech Teachers, CFYs)
- ❑ Providers will be expected to create **Pre-License Plans** in the Portal for CFYs and other Limited Permit holders.
- ❑ Providers will be expected to create **Supervision/Enrollment Plans** in the Portal for all Supervision Enrollments.
- ❑ Providers will be expected to enter the **Face-to-Face Meeting Date** in the Portal in order to submit billing to the County for all supervision enrollments.

A webinar training has been scheduled to walk through the Supervision process on the following dates: (6/4, 6/6, 7/11, 8/14, 8/6).

TO SUMMARIZE

Providers will be expected to...

- ❑ **Review** and **upload** Prescriptions for **all** children (*not just Medicaid children*) for service dates beginning **9/1/24**. (billing requirement)
- ❑ Use the **McGuinness prescription templates** for all prescriptions (except Speech) beginning **4/1/24** for **9/1/24** billing dates.
- ❑ Comply with requests for **non-compliant** and/or **missing** Medicaid documentation.
- ❑ **Verify credentials** in the Portal. Billing providers will not be able to voucher attendances to the county for non-verified or non-approved providers.
- ❑ Submit **Center-Based Related Services billing** at the same time as the Center-Based billing.
- ❑ **Create Supervision/Enrollment Plans** & Enter the Face-to-Face Date in the Portal (billing requirement)
- ❑ **SLP Requirements:**
 - SLPs are required to be **enrolled in OPRA** (Ordering, Prescribing, Referring, Attending).
 - SLPs are required to complete a digital speech recommendation in the Portal for **ALL CHILDREN** beginning **9/1/24**.
 - SLPs are required to complete a digital speech recommendation in the Portal in addition to any prescriptions uploaded from medical practices.
