WELCOME TO FULL-SERVICE MEDICAID WITH MCGUINNESS

August 8, 2023 10:00 & 3:00

Questions & Answers

Q	Currently I use Frontline to create prescriptions. Moving forward do we need to use the McGuinness template?
A	Yes. There are two templates in the Knowledge Base; a multi-discipline template and an OT/PT template (one for a school year and one for a calendar year schedule).
Q	Does the prescription need to be typed or handwritten?
A	The prescription can be typed or handwritten.
