**Herkimer County
eSTACs Getting Started -
Entering Children and STAC-5**

Herkimer County Timeline

* **June 13, 2025:**
  * Herkimer County will **no longer accept any 25/26 STAC's.** You will however continue to send your 24/25 paper STAC's to the county.

* **June 18, 2025:**
  * McGuinness will migrate all of the children that are in the Herkimer County Preschool system over into eSTACs. Each district will only be able to see their own children. McGuinness will also bring over any 25/26 services that have already been entered into Preschool, and any Medicaid Consents that the county has received.

* **June 19, 2025:**
  * School districts will begin entering STAC's into eSTACs.

* **All prior year STAC-1's** (24/25, 23/24, 22/23 etc.), send paper STAC to the county to enter or amend in their Preschool system. Prior years will not be turned on in eSTACs and you will not be able to enter any STACs.

What is eSTACs

* eSTACs is part of our CPSE Portal website (*https://www.cpseportal.com*).

* It is a series of screens to facilitate the communication of STAC related information from the school district to the County.

* The goal is to eliminate sending paper between from the district to the County (or at least get very close).

Types of Information

* The following information can be sent to the County via eSTACs
  * Evaluation information (eliminating need for STAC-5)
  * Service information (eliminating need for STAC-1)
  * Supporting documentation including
    * Medicaid Parental Consents
    * Transportation forms
    * IEP
    * Aide / Nurse forms
    * Birth certificate, passport, adoption papers, legal name change document
    * More….

District Designation of Digital Signatories for eSTACs Form

* Each school district completes a District Designation of Digital Signatories for eSTACs form.
  * This form will designate the CPSE Chair and all staff who will have access to eSTACs, and will be marked as to **who can** sign & submit STAC-1 & STAC-5's for the school district.
  * McGuinness will enter all staff listed on the form and invite them to the Portal.
  * Once the school district staff accepts the invitation, and sets up their Portal account, then McGuinness will give the staff the necessary permissions to each staff to sign according to what is marked on the form.
  * If you want staff to do entry work, but **NOT** sign & submit STAC's, then do not check off any of the boxes.

* If the school district has a change in staff or needs to add staff signing privileges, a new form should be completed, and sent to McGuinness.
