Questions & Answers

Topic/Category		
Q	Changing school district dates to reflect our Start/End datesif we only use agencies, is this something we need to do? Dates reflected are the agency programs not our school district dates.	
Α	NO. If you do not have SEIT or Related Services then you do not need to change your school district dates. Center Based program dates can only be changed by the CB agency.	
Q	When agency information is put into eSTACS will you be adding the SCIS dates for the school year and ESY?	
Α	The agency will need to update their dates for the 22/23 school year.	
Q	Our IEPs say the # of hours (typically 1 hour) not 60 min. Do we have to change all of the IEPs to reflect minutes?	
Α	NO. Your IEPs can continue to say 1 hour.	
Q	Where do we look to find STACs returned from the county, i.e. errors?	
Α	If there is an error, the County or the Provider will need to contact you. STACs are not electronically returned.	
Q	Service Coordination must be noted to be on IEP?	
A	NO.
