Q	Does the county want copies of session notes for Putnam?
Α	No.
Q	Does a Parent Signature Log need to be completed for CBRS?
Α	Yes. This will be proof of service for Medicaid if needed.
Q	If you have a group and one child is absent, I see that you have to use an individual CPT Code. Do you also have to choose the "Does Not Meet Medicaid" box?
Α	When you have a group session and there is only 1 child, you will then need to enter an individual CPT Code. You can mark the box "Does Not Meet Medicaid" requirements. This session will not be billed to Medicaid as Medicaid does not allow a group of 1.
